

Promotions & Specials

With the All For One Plan, you get unlimited airtime, long distance, texting and more for one price... no surprises!

The All For One Plan gives you:

- Unlimited Cell Airtime in Saskatchewan.
- Unlimited Cell Long Distance to Canada and the U.S. for calls originating in Saskatchewan.
- Unlimited Text Messaging.
- Enhanced voicemail, call display, and detailed billing.
- No hidden fees. System Administration Fee and 911 Fees are included in the price.
- Low flat rate for calls originating outside of Saskatchewan (\$0.25 per minute) to anywhere in Canada and the U.S. (includes airtime, roaming and long distance charges).

PLUS: Get this plan on a BlackBerry® device or any smartphone and save even more!

- Get all of the above on your BlackBerry® device plus unlimited Internet, personal e-mail, and BlackBerry Messenger* for \$149 / month. That's a savings of \$10 per month on the \$30 BlackBerry® Data Plan

OR

- Get all of the above on your BlackBerry® device or any smartphone plus Unlimited data service for \$189 / month. That's a savings of \$15 per month on the \$75 Unlimited BlackBerry® Data Plan or the \$75 Smartphone Data Plan.

* You must have a BlackBerry® device in order to get BlackBerry Messenger Service.

Note: A one-time \$25 Activation fee applies to all new activations on the SaskTel network. (Will appear on first bill)

Included with all Plans:

- Free Call Waiting
- Free Three-way Calling
- Free Call Transfer
- Pay-per-use Picture Messaging
- Pay-per-use Voicemail to Text

Fees, long distance / roaming rates:

- The system administration fee and 9-1-1 service fee is included in the price of the plan.

What you need to subscribe to a plan:

- Terms of Service - You will be asked to choose the length of service you would like. Contract Options: Monthly, 1 year, 2 year or 3 year.
- Credit Check - You will be asked to authorize a credit check, which will be performed upon request of activation. A deposit may be required before SaskTel Mobility can activate your service. A representative will contact you if needed.
- Personal Information - You will need to provide information such as your date of birth and Social Insurance Number or Drivers Licence Number.
- Terms and Conditions - You will be asked if you agree to the Terms and Conditions of this service agreement.
- Calling Features - You will also have the opportunity to add additional calling features to your wireless plan. Please see Calling Features for additional information and prices.

Streaming Video

With streaming video service you can use your new cell phone to watch video clips of sports highlights, weather information, movie trailers, music videos, and much more from our content providers.

The video clips don't need to be downloaded, they are streamed directly to your phone so you don't have to worry about running out of memory. The video clips can be viewed quickly, easily, and as many times as you want.

The \$10 monthly subscription fee includes an unlimited Mobile Browser subscription and unlimited streaming video. There's no download charge per video - you get unlimited access to view video clips - as much as you want, as often as you want.

Streaming Radio

Listen to music on the go with SaskTel Streaming Radio service and your Streaming Services capable phone. It has all the music you need! Our station line up includes 37 stations to choose from. Experience your new and old music favorites from any genre and take your music anywhere you go.

The music isn't downloaded, it's streamed directly to your phone so you don't have to worry about running out of memory.

The \$10 monthly subscription fee includes unlimited streaming radio so you can listen to music as much as you want, as often as you want!

To get started:

- Select Media Player from the main menu of your phone.
- Select Channel Listing.
- Navigate through the categories and select the station you want to listen to.
- Listen and enjoy!

Streaming Radio service is available in SaskTel EV-DO coverage In Regina and Saskatoon.

A subscription to Mobile Browser service is required. Applicable Mobile Browser service charges apply. Prepaid Cellular Service Plans

Anytime plan

Do you do most of your calling during the day? Then this is the plan for you.

Call as much as you want morning, noon and night-the longer you talk, the more you save! For any local call, the first 2 minutes are 25¢ per minute and after that, it's only 15¢ per minute.
